THE ESVS 34TH ANNUAL MEETING
BECOMES THE ESVS MONTH

A 4 week programme
beginning the week
of September 28th

Join us live or watch
on demand

Register in advance

A Scientific Programme spread over 4 weeks with 8 webinars including symposia sessions chaired and delivered by world renowned experts and scientific sessions with the best submitted abstracts.

A series of interactive educational workshops run by the ESVS Academy, covering numerous topics within Vascular Medicine. Brush up on your knowledge or learn something new.

Industry participation to support the event.

ESVS will apply for accreditation by the Accreditation Council for Continuing Medical Education (EACCME®) for the ESVS Month.
